Informed Health[®] Line 1-800-556-1555

Talk to a registered nurse anytime

Sometimes your health question can't wait until your doctor's visit. Or even the next morning.

With the Informed Health Line, you can speak to a registered nurse about health issues that are on your mind — whenever you need to.*

Plus —

- ▶ It's toll-free.
- ▶ You can call as many times as you need — at no extra cost.
- ▶ Your covered family members can use it, too.

You could save time, money and a trip to the ER

You can turn to the Informed Health Line for helpful health information — instead of an unneeded trip to the emergency room (ER). That can be a money-saver.

Plus, you'll be able to make smarter health decisions because you have good information — always only a phone call away.
